MEMORANDUM FOR: Inspector General *V/S*

SUBJECT: Non-Staff Personnel

1. As discussed, I asked the Office of Personnel for a loan copy of the quarterly report on non-staff people. You recall that our Office of Personnel Survey recommended that statistics on such personnel be compiled quarterly, as is the case with staff people.

2. Attached is the non-staff report for the last quarter of Calendar 1965.

X1
3. It is interesting to note that as of 31 December 1965 there were [redacted] more non-staff people on board than there were staff personnel. DDP and DDS account for about [redacted] of the non-staffers. 25

4. It seems to me that the Agency is now in a much better position to answer questions from any source about the total number of people employed.
